

**Business, Management, and Legal Programs**

*FREE Information Session!*  
**Career Success in  
Accounting & Finance**

Saturday, May 14, 2016 in Westwood

**Discover opportunities for  
financial professionals at our  
free event!**

Broaden your knowledge about career opportunities for financial professionals and the expanding career paths in accounting and finance at this free event.

Learn more about the value of the CPA, CIA, CMA, FP&A, and CFA certifications, and how these and other highly regarded industry designations can help further your career path.

The structured format includes presentations from industry leaders, UCLA Extension instructors, and professional association representatives offering information and solutions for moving your career forward.

*There will also be a drawing to win course discounts!*
