# Enrolled Agent (EA) Exam Prep

Aug 13, 6-8pm, Extension Lindbrook Center, Westwood, Room 107

## Enrolled agents (EAs) are America's Tax Experts!

EAs are the only federally licensed tax practitioners who specialize in taxation and also have unlimited rights to represent taxpayers before the IRS.

They are highly recognized by the industry and consumers based on their high level of expertise and knowledge of tax law and regulations.

Like attorneys and certified public accountants, enrolled agents are unrestricted in:

- Which taxpayers they can represent
- What types of tax matters they can handle and which IRS offices they can practice before
- The only tax professional licensed to practice and represent clients in all 50 states
