Investing in Real Estate
With investors looking to diversify their portfolio in search of higher returns, many individuals are looking to invest a portion of their financial resources in real estate that have the potential for high rates of return. Whether you are interested in investing in real estate to provide supplemental income, retirement income, or as a long-term portfolio diversification strategy, this one-day seminar provides the skills and knowledge for researching and analyzing real estate investment opportunities.

Reg# 257250Q
Sat 9am-4pm, Aug 8, 1 mtg
Through Jul 8: $135 / After: $149
Westwood: 216 Extension Lindbrook Center

INSTRUCTOR:
TBA

New Seminar!
Crowd Money
Based on the popular book Crowd Money, this one-day seminar sets out the approach to market analysis employed by top investors using macro, behavioral, fundamental and technical cues. Participants can find out exactly what powers (or undermines) markets and how to potentially make money in response. Learn how greed and fear are useful frames of reference for commentators, but how love can explain much more of what’s going on in the markets.

INSTRUCTOR:
Eoin Treacy, CEO, Fuller Treacy Money

Reg# 257253Q
Sat 9am-4pm, Aug 29, 1 mtg
Through Jul 29: $135 / After: $149
Westwood: 216 Extension Lindbrook Center
