

Personal Financial Planning Certificate: Accelerated Online Program

February-September 2018 Program Cycle

This rigorous online certificate program is designed for financial professionals with relevant work experience and credentials who are preparing for the CFP® Certification Examination. The 6-course curriculum is comprised of five core courses covering the major disciplines of financial planning and the required Financial Plan Development capstone course. The instructor-led online courses blend live, web-based sessions with online discussion boards, assignments, and testing. Students complete the curriculum within 9 months.

PROGRAM SCHEDULE

Each course is scheduled over a 4-week period and include two 3-hour live sessions each week. The weekly live sessions are scheduled on Tuesdays and Thursdays from 3-6pm PST and are also recorded for later viewing. Students are provided a two week window between courses to pre-study materials for the next course.

Core Courses:

Capstone Course:

Financial Plan Development and Presentation Course

September 4-25, 2018, Reg# [358713](#)

The capstone course fully meets CFP® Board's educational standards requiring students to complete a financial plan development course. Completion of this course is also required for those who will be sitting for the CFP® Exam under a "Challenge" status.

PROGRAM FEE: \$4,700

The program cost includes fees for the five required core courses, Financial Plan Development capstone course, and the certificate candidacy fee. The program fee does not include the cost for the required pre-study materials, which students must purchase separately.

TO ENROLL

Students must submit an [Application for Candidacy](#) with a non-refundable application fee of \$200 and enroll in the first course (X 430.511 Financial Planning Process and Insurance) approximately 1 month prior to the program start date. This will allow ample time to order and pre-study course materials for the first class session. Students are then recommended to enroll in the subsequent courses two weeks prior to each course section.
