FREE Virtual Information Session!

Personal Financial Planning (PFP) Accelerated Online Program

Conveniently access the information session anytime on Jan 11,
including a live interactive webinar session from 10-11am!

Accelerate your career as a personal financial planning professional!

The personal financial planning career path is projected to grow over 32% by 2020 according to the Department of Labor Statistics. Those individuals who complete a financial planning educational program and attain the CFP® certification will be the most successful in this growing field.

Conveniently access our presentation anytime on **Jan 11** or join us for a live, one-hour interactive webinar where you will have the chance to learn more about our certificate and how this program can help you reach your career goals and fully prepare you for CFP certification.

Virtual information sessions are a convenient way to learn more about the programs at UCLA Extension right from your home or office!

Certified Financial Planner Board of Standards Inc. owns the marks CFP®, Certified Financial Planner®, and CFP (with flame logo)®, which it awards to individuals who successfully complete initial and ongoing certification requirements.

UCLA Extension does not certify individuals to use the CFP®, CERTIFIED FINANCIAL PLANNER®, and CFP (with flame logo)® marks. CFP certification is granted only by Certified Financial Planner Board of Standards Inc. to those persons who, in addition to completing an educational requirement such as this CFP Board-Registered Program, have met its ethics, experience and examination requirements.

ABOUT OUR PROGRAM

This rigorous online certificate program is designed for financial professionals with relevant work experience and credentials who are preparing for the CFP® Certification Examination. The 6-course curriculum is comprised of five core courses covering the major disciplines of financial planning and the required Financial Plan Development capstone course. The instructor-led online courses blend live, web-based sessions with online discussion boards, assignments, and testing. Students complete the curriculum within 9 months.

WHO SHOULD ATTEND

- Professionals with a minimum of 3 years of relevant work experience in the financial services industry
- Individuals with at least 3 years of work experience as a CPA®, attorney-at-law, CLU®, ChFC®, or CFA®
